IRB: HUM00137504  
PIs McKee and Mitra

If you're a **Deaf or Hard of Hearing (DHH) woman who has given birth in the last 10 years**, please take our survey!

*We want to learn how we can make health care better for Deaf and Hard of Hearing women.*

## Can I participate?

You must...

- Be 21 years old, or older
- Be Deaf or Hard of Hearing
- Have given birth in the last 10 years
- Be willing to complete a survey that takes about 30-40 minutes. Questions will ask you about what it was like when you were pregnant and had your baby.

As a thank-you, you will be entered into a drawing to receive a \$50 gift card!

Remember, it is **ALWAYS** your choice to be involved in research. *You do not have to participate*; nothing bad will happen if you choose not to participate.
